Available Funding

Working Families Funding

If you are a working eligible family your child may be entitled to 30 hours a week of government-funded childcare, calculated on the school term of 38 weeks. This provides a total of 1,140 childcare-funded hours which is spread evenly over 51 weeks of the year. The 30 hours entitlement starts from the term after the child is 9 months old and ends the term after they turn five or at the end of Reception, whichever is earlier. Eligibility must be verified with an access code and applications must be made online by parents.

Supported 2-year old Funding

Families with children aged 2-years-old are able to access this funding if you are in receipt of additional government support such as Income Support or Universal Credit, or your child is in receipt of Disability Living Allowance. You may be able to access up to 15 hours funded childcare over 38 weeks for your two-year-old from the term after their second birthday. Eligibility must be verified with an access code and applications must be made online by parents.

Universal Funded Childcare

Families may access universal funding for 3-4 year-olds for a maximum of 15 hours per week for 38 weeks of the year. The 15 hours entitlement starts from when the child is 3 years-old and ends the term after they turn five or at the end of Reception, whichever is earlier. A parental declaration form will be sent out via email following acceptance of your place at Little Crackers. This must be completed to access the funding.

For more information, please visit the [Warwickshire Country Council's website](#).

Apply early via the [Best Start in Life parent hub](#) to ensure you receive your funding code in time for the new term.

Additional Extras Associated with Funded Sessions

The Government funding is for the provision of early years education only and does not cover all the consumable and additional activities we normally provide; these include but are not limited to the cost of meals, specialist teaching and activities and non-food related consumables. Specialist teaching and activities are what we believe sets us apart from other nurseries and include Forest School, music, yoga, dance, French, multi-sports, and much more, enabling all our children to experiment, create, explore and learn. These costs are voluntary and are charged separately.

Additional Extras Associated with funded sessions	Per Day	Per Half Day
Food Meals and Snacks	£5.00	£4.00
Extra-Curricular Activity see Consumables Guide for details	£6.00	£6.00
Non-food Consumables Wipes, creams etc.	£1.50	£1.50

If you claim funding you are only able to amend your booking pattern termly. Any other changes including any ad hoc sessions outside of this will be charged at the full rate for that session.

The additional extras are optional during your funded hours. These will be listed separately on your invoice. These are charged on a daily basis. You must give at least a term's written notice to opt in or opt out.

Additional extras can be:

- Provided by parents (no charge), or
- Supplied by nursery (charged fee - see above)

If you have chosen to opt out of the nursery consumable charge during your funded hours, the following applies:

- You must provide your child's snacks and meals as detailed in our [Consumables Guide](#).
- You will still receive high quality provision in line with the EYFS but they will not be included in the extra-curricular activities which sets us apart from other nursery settings. Extra-

curricular activities are detailed in our [Consumables Guide](#).
